About Me:

Motivated student seeking a job in the IT field. As a student, I demonstrate excellent abilities in programming coursework and completing various tasks. I am looking for opportunities to further develop my skills and contribute to your organization.

Experience:

Internship: Completed a 3-month internship where I created a website for the company.

Freelance: Developed apps and games for clients using "Android Studio" and the "Unity" engine.

Current Internship: Currently working as an intern at a company, focusing on creating front-end projects.
